I’m glad I have Twice to recommend me lesbian shows lol

Discussion

I’m not sure what it is but specifically Nayeon and Sana (sometimes Chaeyoung too) only ever seem to watch and recommend shows with gay characters (and Penthouse, their one exception).

It’s not like there’s many lesbian romances in drama’s or movies but if there is a new one, I can trust that Nayeon and Sana will recommend it on bubble.

Today, Sana was talking about Nevertheless on bubble and only mentioned Soljiwan (the lesbian side ship name), instead of, you know, talking about the main characters!

I really want to make a cohesive list of all the gay shows Nayeon has recommended so I can check them all out, so without further ado:

Lesbian shows or movies Nayeon recommends (pls tell stuff to add if you’ve seen her say more):

- The Handmaiden
- Happiest Season
- Moonlit Winter (I really want to watch but apparently it’s sad)
- Mine
- Nevertheless

Edits

- Carol

oh i didn't know that nayeon recommended moonlit winter, she has taste!! the movie does have some sad, melancholy moments but it also has a hopeful ending. definitely watch it, it's lovely :)

Waaaaait Nayeon recommended Happiest Season?? Okay if she wasn't my bias already this would've definitely bias wrecked me. Don't know why this surprises me, it's just that I feel like it has a lower profile than her other recommendations so I'm quite happy to know she liked it.

(Also, not gonna lie, Aubrey Plaza as the sexy lesbian doctor in a Christmas rom-com made me *feel things*)

i'd recommend moonlit winter - but it's a film, not a show - if you're interested in a quiet, soft love story between older wlw (and a great mother-daughter relationship too). there are some moments that made me tear up though T-T

Dude Penthouse has some pretty popular fruity ships too (Sooryeon/Yoonhee and Sooryeon/Seojin come to my mind) so who knows, maybe Nayeon is clinging on to SeokRo (Seokhoon/Rona) endgame while Sana is still crying over Surhee? We may never know.

oh my lord do these women even watch anything unless there’s something slightly fruity about it?!

Is anyone blaming them tho, the fruity side ships are always more interesting istg

This is great lol. And I’m also watching Nevertheless rn, and SolJiwan is FUCKING ENDGAME!!! I’m seriously much more invested in their side plot than the main Jaeeon- Nabi- Dohyeok messy love triangle haha.
